DRAGON DISPATCH

Alconbury Elementary School Newsletter

From the Principal's Desk

This past week we wished Ms. Pandiella, our Multi-Language Learner & STEAM teacher, a fond farewell. Ms. Pandiella retired from DoDEA with 24 years of service to military connected students and 34 total years of service as an educator. AES and all the 1000's of students she worked with over her years of dedicated service to our nation's youth are thankful for all knowledge, skills, challenges, successes, and kindness she imparted upon her students and families. Thank you and good luck, Ms. Pandiella!

Next week is Thanksgiving and we have so very much to be thankful for. We are exceptionally fortunate to have the many gifts, opportunities, and experiences we have been afforded. Please take the time to reflect all that you have to be thankful for over our Thanksgiving holiday with friends and family. The AES staff and I wish you a wonderful holiday wherever you are and whomever you are celebrating with. Happy Thanksgiving!

NURSE'S NOTES

Dear Dragon parents,

During this season is common to catch a cold. If your student is prescribed a medication that needs to be administer during school hours, the doctor would need to complete a DoDEA form so the nurse can provide the medication. No exemption would be made as this is a DoDEA policy. The form can be found at: https://www.dodea.edu/education/student-services/health-services or you can request it to the school nurse at: Alejandro.Sandoval@dodea.edu

Very Important: The form is required even for over-the-counter (OTC) medications to include cough drops, ibuprofen, sunscreen, etc.

At AES, your child`s health and safety are our top priority.
Nurse Alex Sandoval, BSN, RN.

Fit & Fun

AES has an amazing physical education program. Click here for the monthly at home activities to keep you and your child active.

CLASSROOM SPOTLIGHT

Mr. Martin's class always works hard in literacy centers. Check out all their hard work here.

BOOKS & BEYOND

Here's what's new in our school library:
What's Happening: Students are learning to use MackinVia, our online eBook and audiobook resource accessible through Classlink.
Upcoming Events: The last day to check out books before Winter Break is December 12th. Snuggle Up and Read will begin December 3rd. Click here for more information.
Library Tip: Audiobooks are shown to help younger students with comprehension based on a study published by A. Singh and P. Alexander in the Educational Psychology Review.

Happy Reading!
